PTHS Parental Visitation Policy

PPEP TEC High School embraces and encourages collaboration with all stakeholders. As such, we welcome any opportunity to provide tours or to facilitate observation visits for parents or guardians of enrolled or potential students. PTHS asks that requests for visits are provided at least 24 hours in advance and that they do not disrupt school operations or interfere with student learning.

To prevent any unauthorized persons entering PTHS buildings and the educational process or other school operations being disrupted, all visitors to the schools must report to the school office upon arrival and must receive authorization before visiting any other part of the building.

PPEP TEC High School prohibits all registered sex offenders from any property owned or occupied by PTHS and from attending any District sponsored activity or event.
